ICT Games

Reading

How it works:

Your child's home reading book will be changed when finished and a comment has been written in their record book. Your child is encouraged to put their book in the Reading Book box if they want it changed in the week. However, they are all changed on a Friday. Please encourage your child to discuss the pictures and identify any familiar words and sounds. Early in the half term, your child may receive picture books, which will then build up to word books. Here are some examples of useful questions:

- ☺ What do you think is happening in this picture?
- ☺ How does that character feel?
- ☺ What do you think might happen next?

Your child will also have a list of words and sounds sent home each week for them to learn.

Your child will be reading these books in class this half term!

Homework Packs

How it works:

Alternative maths and English homework will be sent home on a Friday and will be in your child's homework pack. It is due back the following Friday.

The homework will be based on your child's learning each week.

brations

Half Term Homework

How it works:

This voluntary mini project is to be completed and handed in after half term on

Design and make your own repeating pattern wrapping paper.

Challenge: Can you write a sentence about how you made your wrapping paper?

Write about what you used to make it, e.g. stamps, crayons, paint, etc.

You can present it in a style of your choice.

You will gain 10 house points if you complete this project!
