

## Reception Homework Autumn 2

### Our Topic is: Celebrations and Festivals

**How it works:** This is your homework for the first half term. Please read the instructions at the top of each subject.

ICT Games

## Reading

How it works:

Your child's home reading book will be changed when finished and a comment has been written in their record book. They can put it in the Reading Book Box in the morning when they want it changed otherwise they are all changed on a Friday for RB and Thursday for RP. Please encourage your child to discuss the pictures and identify any familiar words and sounds. Early in the half term, your child may receive picture books, which will then build up to word books. Here are some examples of useful questions:

- ☺ What do you think is happening in this picture?
- ☺ How does that character feel?
- ☺ What do you think might happen

next?

Your child will also have a list of words and sounds sent home each week for them to learn.

**Your child will be reading these books in class this half term!**

## Homework Packs

How it works:

Alternative maths and English homework will be sent home on a Friday and will be in your child's homework pack. It is due back the following Friday.

The homework will be based on your child's learning each week.

brations

## Half Term Homework

How it works:

This voluntary mini project is to be completed and handed in after the Christmas Holiday on January 11th.

Design and make your own repeating pattern wrapping paper.

**Challenge:** Can you write a sentence about how you made your wrapping paper?

Write about what you used to make it, e.g. stamps, crayons, paint, etc.

You can present it in a style of your choice.

You will gain 10 house points if you complete this project!
