

Reception Homework Spring 1

Our Topic is: Keeping Fit and Healthy

How it works: This is your homework for this half term. Please read the instructions at the top of each subject.

ICT Games

Reading

How it works:

Your child's home reading book will be changed when finished and a comment has been written in their record book. Your child is encouraged to put their book in the Reading Book box if they want it changed in the week. However, they are all changed on a Friday. Please encourage your child to discuss the pictures and identify any familiar words and sounds. Early in the half term, your child may receive picture books, which will then build up to word books. Here are some examples of useful questions:

- ☺ What do you think is happening in this picture?
- ☺ How does that character feel?
- ☺ What do you think might happen next?

Your child will also have a list of words and sounds sent home each week for them to learn.

Your child will be reading these books in class this half term!

Homework Packs

How it works:

Alternative maths and English homework will be sent home on a Friday and will be in your child's homework pack. It is due back the following Friday.

The homework will be based on your child's learning each week.

Keeping Fit and
Healthy

Half Term Homework

How it works:

This voluntary mini project is to be completed and handed in after half term on 26th February

Design a poster on keeping fit and healthy

Think about: What exercises can you do to keep fit?

What foods can you eat to keep healthy?

How many times do you need to brush your teeth each day to keep them healthy?

How much sleep do you need to get to keep healthy?

CHALLENGE: Write sentences about the pictures on your poster.

You will gain 10 house points if you complete this project!
