ICT Games

## Reading

**How it works:**

Your child's home reading book will be changed when finished and a comment has been written in their record book. Your child is encouraged to put their book in the Reading Book box if they want it changed in the week,. However, they are all changed on a Friday for RB and Thursday for RP. Please encourage your child to discuss the pictures and identify and sound out words. Here are some examples of useful questions to ask whilst reading:

- ☺ What do you think is happening in this picture?
- ☺ How does that character feel?
- ☺ What do you think might happen next?

**Your child will be reading these books in class this half term!**

**Useful phonics websites:**

## Homework Packs

**How it works:**

Alternative maths and English homework will be sent home on a Friday and will be in your child's homework pack. It is due back the following Friday.

The homework will be based on your child's learning each week.

### **Tricky Word Books**

The Tricky Word Books will be gone through every other Thursday with your child. We will dot the words they are struggling with so you can practise them at home.

Spring 2

Our Topic is:  
Living Things and  
How They Grow

## Half Term Homework

How it works:

This voluntary mini project is to be completed and handed in after Easter on 16th April

Take a walk around your house, garden or park and draw all the living things you see.

Think about: What is a living thing?

How do you know it is living?

**CHALLENGE:** Write sentences about the pictures you draw

You will gain 10 house points if you complete this project!
