ICT Games

Reading

How it works:

Your child's home reading book will be changed when finished and a comment has been written in their record book. Your child is encouraged to put their book in the Reading Book box if they want it changed in the week. However, they are all changed on a Friday for RB and Thursday for RP. Please encourage your child to discuss the pictures and identify and sound out words. Here are some examples of useful questions to ask whilst reading:

- ☺ What do you think is happening in this picture?
- ☺ How does that character feel?
- ☺ What do you think might happen next?

Your child will be reading these books in class this half term!

Homework Packs

How it works:

Alternative maths and English homework will be sent home on a Friday and will be in your child's homework pack. It is due back the following Friday.

The homework will be based on your child's learning each week.

Tricky Word Books

The Tricky Word Books will be gone through every other Thursday with your child. We will dot the words they are struggling with so you can practise them at home.

Half Term Homework

How it works:

This voluntary mini project is to be completed and handed in after half term on Monday 4th June

Make a piece of equipment that a 'Person Who Helps Us' would use. E.g. A stethoscope for a doctor, a fire engine for a fire fighter, a police officer's hat, etc.

Think about: What piece of equipment shall I make?

What materials will I use to make it?

CHALLENGE: Write sentences about the piece of equipment you make.

You will gain 10 house points if you complete this project!
