## Reading

**How it works:**

Your child's home reading book will usually be changed when finished and a comment has been written in their record book. Please encourage your child to discuss the books they bring home. Here are examples of useful questions:

- ☺ What is your favourite part and why?
- ☺ How does that character feel? How do you know?
- ☺ What do you think will happen next?

**Your child will be reading these books in class this half term:**

## Maths

**How it works:**

Maths homework, which will be sent on a Friday, will be stuck in homework books. It is due back the following Thursday.

If your child has completed their maths homework, have a go at one of these questions. **You will gain 10 house points for each question completed. Please put all work in your maths homework book.**

☺ Using coins, think of all the different ways you can make 50p.

☺ Go on a shape hunt for 3D shapes! Draw all of the places in your house where you can find cuboids, spheres and cylinders.

☺ How far can you count up in 10's? Can you count back too?

☺ Measure objects in your house using non standard measure, eg: paperclips, pens, spoons etc.

**Holiday Homework**

**How it works:**

**This voluntary mini project is to be completed and handed in after the Christmas holidays on Friday 11th January 2019.**

Write about the toys you received for Christmas. Make sure you draw pictures of them and label them too, including the materials they are made from.

Great places to visit!
