Reading

How it works:

Your child's home reading book will usually be changed when finished and a comment has been written in their record book. Please encourage your child to discuss the books they bring home. Here are examples of useful questions:

- ☺ What is your favourite part and why?
- ☺ How does that character feel? How do you know?
- ☺ What do you think will happen next?

Your child will be reading these books in class this half term:

Maths

How it works:

Maths homework, which will be sent on a Friday, will be stuck in homework books. It is due back the following Wednesday.

If your child has completed their maths homework, have a go at one of these questions. **You will gain 10 house points for each question completed. Please put all work in your maths homework book.**

- ☺ Using coins, think of all the different ways you can make 20p.
- ☺ Go on a 3d shape hunt! Write a list of all the objects in your house that are cylinders, cuboids and spheres.
- ☺ How far can you count up in 5's? Can you count back too?
- ☺ Using adding and taking away, what are all the different ways you can make 17?

Holiday Homework

How it works:

This voluntary mini project is to be completed and handed in after the half term holidays on Friday 2nd March 2018.

Research different types of houses from around the world!

- Draw and label them.
- Write about which country they are from.
- What they are made of.
- You can present it in a style of your choice.
