## Reading

### How it works:

Your child's home reading book will usually be changed when finished and a comment has been written in their record book. Please encourage your child to discuss the books they bring home. Here are examples of useful questions:

- ☺ What is your favourite part and why?
- ☺ How does that character feel? How do you know?
- ☺ What do you think will happen next?

**Your child will be reading these books in class this half term:**

## Maths

### How it works:

Maths homework, which will be sent on a Friday, will be stuck in homework books. It is due back the following Wednesday.

If your child has completed their maths homework, have a go at one of these questions. **You will gain 10 house points for each question completed. Please put all work in your maths homework book.**

- ☺ Draw a clock face to show what time you have breakfast, lunch, dinner and go to bed.
- ☺ Find a bottle of milk, carton of orange juice, bottle of squash, tin of soup and bottle of sauce. Draw them and put them in order from lowest to highest capacity.
- ☺ Design a poster to show off how far you can count in twos.

## Holiday Homework

### How it works:

This voluntary mini project is to be completed and handed in after the Whitsun holidays on Friday 8th June 2018.

Research a famous pirate and make a fact file. This could include:

- labelled drawing
- Where they were from
- Why they are famous
- What kind of pirate ship did they sail on
