**Reading**

**How it works:**

**Your child's home reading book will usually be changed when finished and a comment has been written in their record book. Please encourage your child to discuss the books they bring home. Here are examples of useful questions:**

- ☺ What is your favourite part and why?
- ☺ How does that character feel? How do you know?
- ☺ What do you think will happen next?

**Your child will be reading these books in class this half term:**

**Maths**

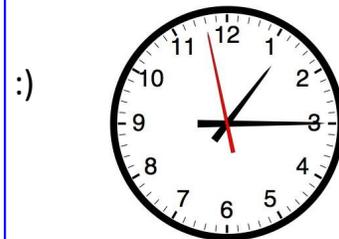

**How it works:**

Maths homework, which will be sent on a Friday, will be stuck in homework books. It is due back the following Wednesday.

If your child has completed their maths homework, have a go at one of these questions. You will gain 10 house points for each question completed. Please put all work in your maths homework book.

:) Using multiplication and division. How many ways can you make the number 10?

:) How many objects can you find that have more than four sides? Can you name the shape of the objects?

Create a daily timetable for what you do during the day.

**Holiday Homework**

**How it works:**

This voluntary mini project is to be completed and handed in after half term on Friday 12th January.

Research how materials can be used to build shelters and buildings. You could:

Use materials to create a shelter that can stand alone.

Design and label the shelter.
