Reading

How it works:

Your child's home reading book will usually be changed when finished and a comment has been written in their record book. Please encourage your child to discuss the books they bring home. Here are examples of useful questions:

- ☺ What is your favourite part and why?
- ☺ How does that character feel? How do you know?
- ☺ What do you think will happen next?

Your child will be reading these books in class this half term:

Maths

How it works:

Maths homework, which will be sent on a Friday, will be stuck in homework books. It is due back the following Wednesday.

If your child has completed their maths homework, have a go at one of these questions. You will gain 10 house points for each question completed. Please put all work in your maths homework book.

:) How many ways can you represent the number 16?

:) Can you create a repeating pattern? What shapes could you use?

:) Could you measure your bedroom?

Holiday Homework

How it works:

This voluntary mini project is to be completed and handed in after half term on Friday 2nd March. Research an island.

You could:

Create your own map of a real or fictional island.

Plan a holiday to an island of your choice.

Write a story about being stranded on a desert island.

Great places to visit!
