Reading

How it works:

Your child's home reading book will usually be changed when finished and a comment has been written in their record book. Please encourage your child to discuss the books they bring home. Here are examples of useful questions:

- ☺ What is your favourite part and why?
- ☺ How does that character feel? How do you know?
- ☺ What do you think will happen next?

Your child will be reading these books in class this half term:

Maths

How it works:

Maths homework, which will be sent on a Friday, will be stuck in homework books. It is due back the following Wednesday. If your child has completed their maths homework, have a go at one of these questions. You will gain 10 house points for each question completed. Please put all work in your maths homework book.

:) Can you draw a house using only shapes?

:) How many numbers below 100 can you think of that start and end with the same number?

:) How many times can an A4 piece of paper be folded?

:) Can you draw a symmetrical picture of a butterfly?

Holiday Homework

How it works:

This is a voluntary mini project to be handed in before Friday 20th July.

You can present your homework in the style of your choice.

You could:

Design a mini-beast habitat from the microhabitats topic.

Create a Florence Nightingale piece of artwork from the People Of The Past topic.

Make your very own island from the 'Islands' topic.

Produce a presentation based around space travel from the 'Time Travellers' topic.

Or even create your own seaside from the 'Let's go on holiday topic'
