English

How it works:
You will get ten house points for handing in one of the English tasks linked to our class text by Friday 14th December 2018. This work needs to go in your English homework book.

Cat Tales: Ice Cat
LINDA NEWBERY
Winner Costa Children's Book Award

- Describe or draw your favourite scene from the book.

- Design a new book cover.

- Write a diary entry for a character in the book.

- Split your page into small boxes and make a comic book of the story.

- Make up a quiz about the book with 10 or more questions, and answers.

- Make a list of the characters in the story and write a sentence about each one.

- Write a book review.

Maths

How it works:
Maths homework, which will be sent on a Friday, will be stuck in homework books. It is due back the following Wednesday. Each week you must complete the given task as well as Big Maths Beat That!

If you have completed your maths homework, have a go at one of these. You will gain ten house points for each one you try.

- Using the digit cards in the multiplication below. How close can you get to 100?

$$\boxed{2} \quad \boxed{3} \quad \boxed{4}$$

$$\boxed{}\boxed{} \; X \; \boxed{} \; =$$

- James has 3 t-shirts and 4 pairs of trousers. How many different outfits can he make?

- Lola bought a balloon at the circus. She paid with 6 coins. What could Lola have paid for a balloon?

- Always, Sometimes or Never?

  -2 odd numbers add up to make an even number
  -3 odd numbers add up to make an even number

- A magician performs a trick. He has 8 cards with digits 1-8 on them. He chooses 4 cards. The numbers add up to 20. How many different combinations could he have chosen?
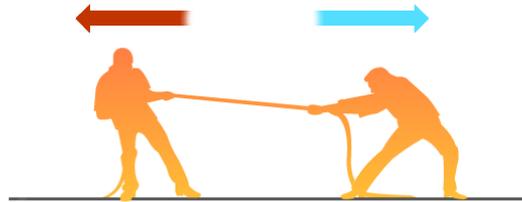

Optional Holiday Homework

How it works:
You will get twenty house points for handing in
one of the Topic tasks by Friday 11th January.
You can present your homework in the style of your choice.

Year 3
Homework
Autumn 2

Our Science Topic is:
Magnets and Forces

How it works:
This is your homework for the half term. Please read the instructions at the top of each subject.

Useful Google searches:

BBC Bitesize

https://www.first4magnets.com/fun-magnet-facts-for-kids-i77

- What do forces do to objects?

- What different forces are there and how do they work?

- Research a force and write a summary or draw a diagram explaining what you have found out.

- What is friction?

- What do we need friction for?

- Is friction a help or a nuisance?

- Draw and label how a magnet works, using the word repel and attract.

- Are all materials attracted to magnets?

- What can you find in your house which is magnetic?

- Are all metals magnetic?

- Design a poster teaching someone about magnets and how they work.

Year 3 Autumn 2 Spellings

How it works:

Each Friday your child will receive a list of spellings to learn at home. The sheet will be stuck into English homework books and is to be handed in on Wednesdays. A dictation will take place on Thursdays to test how well your child has learned their spellings.

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
door	beautiful	improve	everybody	even	half
behind	water	grey	again	last	white
both	green	hour	black	father	gold
path	floor	sure	poor	sugar	past
who	Child	whole	children	any	many
group	February	heard	appear	interest	different
learn	women	earth	calendar	probably	busy
often	arrive	early	fruit	eight	minute

Reading

Accelerated Reader

At Cotteridge Primary School, we want our children to appreciate how valuable and rewarding reading can be. As part of the AR program we will be rewarding pupils for their individual successes during this process. Raffle tickets for successful quizzes as well as certificates for the number of books read can be earned throughout the year. There is also an ultimate goal, to be a "Cotteridge Million Word Reader". This is calculated by the number of words in each completed book being added together.
