English

How it works:

You will get ten house points for handing in one of the English tasks linked to our class text by Friday 13th July 2018. This work needs to go in your English homework book.

- ◆ Make a list of good and bad qualities that one of the main characters has.
- ◆ Split your page into 8 and make a comic book of the story (choose main events in the story).
- ◆ Summarise the book in no more than 100 words.
- ◆ Write a newspaper article about one of the main events in the story.
- ◆ Write a book review.

Maths

How it works:

Maths homework, which will be sent on a Friday, will be stuck in homework books. It is due back the following Wednesday. Each week you must complete the given task as well as Big Maths Beat That!

If you have completed your maths homework, have a go at one of these. You will gain ten house points for each one you try.

400 exercise books are arranged into 3 piles. The first pile has 80 more books than the second pile. The number of books in the second pile is twice the number of books in the third pile. How many books are in the third pile?

Tina and Heidi have the same number of balloons. Tina bursts 24 of her balloons and Heidi bursts 42 of her balloons. Tina now has three times as many balloons as Heidi. How many balloons did they have in total at the start?

Three cricket players score 180 runs in total. Freddie scores 12 more runs than David. James scores 18 fewer runs than David. How many runs did Freddie score?

Year 5 Summer 2 Spellings

How it works:

Each Friday your child will receive a list of spellings to learn at home. The sheet will be stuck into English homework books and is to be handed in on Wednesdays. A dictation will take place on Wednesdays to test how well your child has learned their spellings.

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
-ancy	-ent	-ence	-ency	-able	-ible
dictionary	persuade	signature	interfere	according	equipment
equipped	language	government	forty	average	competition
soldier	marvellous	bruise	familiar	individual	category
profession	department	neighbour	presidency	desperate	impossible
discrepancy	president	reference	consistency	changeable	indestructible
vacancy	patient	presence	deficiency	comfortable	invincible
accountancy	movement	sentence	urgency	disposable	legible
occupancy	event	confidence	dependency	employable	possible
infancy	student	existence	contingency	enjoyable	responsible
truancy	agreement	silence	insolvency	fashionable	reversible

Accelerated Reader

At Cotteridge Primary School, we want our children to appreciate how valuable and rewarding reading can be. As part of the AR program we will be rewarding pupils for their individual successes during this process. Raffle tickets for successful quizzes as well as certificates for the number of books read can be earned throughout the year. There is also an ultimate goal, to be a "Cotteridge Million Word Reader". This is calculated by the number of words in each completed book being added together.
