Every Week / Volume 13 Issue 2

Week Ending: 23rd September

Another Fantastic Week

It has been wonderful to visit the classrooms in KS1 and Reception this week. I have been so impressed by how motivated and hardworking everybody has been, and it is great to see our new pupils settling in so quickly. The pupils are polite, friendly and love talking to me about what they are doing.

My Code Club members have released their Scratch games onto the school website. Please play the games and choose your favourite—the winning coder will receive a prize at the beginning of October.

I am very fortunate to be taking our Year 6 maths team to a Maths Challenge at King Edwards School today (Friday). I am sure that they will improve upon their 3rd place success when they were in Year 4. I have already been astounded by the speed of their mental calculations!

Good luck Edie, Jie Hua, Jonathan and Thomas!

MacMillan Coffee Morning—please see over

Please come and support this event for this very worthwhile charity. Last year we raised over £400, let's see if we can raise even more this year. We would especially like to welcome our new Reception and Nursery parents—this is a great opportunity to meet other parents and members of the PTA. We would very much appreciate any cake donations for our coffee morning on Friday 30th September.

Many
Thanks,

Year 2 Fashion Show

Yesterday Year 2 spent the day dressed as famous people. They spent the morning researching facts about their person. The day ended with a fashion show, where the children were able to share their fantastic costumes with their peers. Even Mr Leonard strutted down the catwalk! Thank you to everyone who helped with costumes, the children looked fabulous.
