Friday 29th June 2018

Dear Parents and Carers,

On Wednesday morning, the children will spend an hour in their new classroom with next year's teacher. This is often an exciting time and marks another milestone in the growth and development of our children. The new classes are shown on the back of this letter.

We are very pleased to welcome a new teacher, Miss Haynes, to the school. Miss Haynes will be teaching in Year 5 and will join us for the day on Wednesday. I know that she is really looking forward to meeting her new class. One member of staff is moving on this year, therefore we say goodbye to Mr. Wilson, who is taking up a position in another Birmingham school. I thank him for all of his hard work since joining Cotteridge 4 years ago.

Last year we had to shrink our support staff team in the Juniors due the budget cuts which are affecting all schools. Now I am pleased to inform you that, as a result of good financial management by leaders and governors, school finds its budget in a healthy enough position to employ an additional Teaching Assistant. Therefore I am pleased to welcome Mrs Brannigan to the school.

Please do not hesitate to contact me if you have any questions about changes for next year.

Yours Sincerely,

Mr. Leonard
