18th October 2018

Year 5 National Space Centre Visit

Dear Parents/Carers,

As part of our current curriculum topic, Space Explorers, we are excited to announce that we will be visiting the National Space Centre, Leicester on Thursday 8th November 2018.

The programme includes general admission, where the children can explore the variety of interactive galleries and exhibits available, and extend their learning in areas that have been covered in school. In addition, we will enjoy the 'Night Sky Tour' show in the specially built 192-seat 'Sir Patrick Moore Planetarium.'

The children will need to bring a packed lunch, including non-fizzy drinks, and wear school uniform as usual. If your child is entitled to free school meals, your child will be provided with a packed lunch. However, if you choose to send a packed lunch, please indicate below if your child will not require a school packed lunch for the trip.

We will be leaving by coach at 9.30 am, so please ensure your child is prompt to school at normal time. To ensure that we can enjoy as much of the Space Centre as possible, **we will not be departing until 3.00pm and anticipate returning to school at the later time of 4.30pm.** As we will be returning to school after the end of the school day, **all children will need to be collected**, even if they have permission to walk home alone.

As the school has heavily subsidised this trip, the cost of £15 per child is covered by the £20 payment plan contribution that is required to cover **all** trips this year. To ensure that your child is able to participate in this and future trips, please ensure that you have returned the payment plan and consent information previously sent out as soon as possible.

Yours sincerely,

Mrs R Andrews
Year 5 Class Teachers

Miss J Haynes
