26th November 2018

Dear Parents,

Dads' Engagement Week 21st-25th January 2019

Schools nationally are keen to increase dads' engagement with children's education. At Cotteridge we already have positive relationships with many dads and male relatives, however it is a fact, that most of our interactions are with moms. Therefore, after a successful Dads' Engagement Week last year, we are organising our second, week beginning 21st January 2019.

We are inviting dads into school on the days below to take part in a series of activities to help promote dads' participation in school life. To start with, we are offering dads a coffee and bacon sandwich in the hall before taking part in an exciting, fun and competitive challenge with your child.

Although we are using the term 'dads', please understand that we are inviting and welcoming any positive male role model connected to a family, so 'dad' could mean a grandfather, uncle, big brother or family friend. Please fill in the slip below to indicate your interest. We very much look forward to hearing from you.
