Assistant Headteacher: Mrs V. Tucker BA Hons
Assistant Headteacher: Mrs K Darby BA Hons, P.G.C.E

Cotteridge Science Week

We are celebrating Science Week at Cotteridge Primary School between 11th and 15th March. We would like to invite parents into school that week to talk to children about how they use science in their jobs.

We know from experience that children respond particularly well to anything 'hands on' so we would appreciate any talks that include an interactive element, but we are very aware that this is not always possible!

If you would like to take part, please fill in the form below and we will be in touch soon. Equally, please do catch me on the KS2 playground after school or call the school office if you'd like to discuss it in person.
