Understanding the World

Personal, Social and Emotional

Reception Summer B 2018-2019 Going Places & The Severn Valley Railway

Achieving
 Excellence
 Inspiring
 Dreams

UNICEF Child – children to learn about roles and responsibilities and how and why we give compliments. Children to comment on rights that have been respected.
 Philosophy for Children – children offer their own opinions to questions/issues raised about moral and conflict situations. Children learn the importance of listening and respecting other's views and that it is ok to disagree. To use and understand the 4C's of thinking
 Circle Time – Learning to take turns when talking and to listen to other children's ideas – collaborative thinking.
 'Sort it out' Spot – To help and support children to resolve conflicts independently with the help of Twiddle the Turtle.

Communication and Language

Mathematics
