17th May 2019

Dear Parents/Carers,

YEAR 3 LAPWORTH MUSEUM – 5th June

Next term, we will start our new topic 'Active Planet' where we will learn more about how our planet is made and how it works. As an Entry Point into the topic we have booked a visit to the Lapworth Museum at Birmingham University.

The visit will take place on Wednesday 5th June. 3B will be visiting in the afternoon.

The children should wear school uniform as usual and will need a warm, waterproof coat and sensible shoes.

The university may wish to use photos of the children undertaking their activities in their literature and social media channels. If you are not happy for this to take place please let the school know. The school will also be taking photos to record the day.

Please do not hesitate to come in and see me should you have any questions about the trip.

Yours sincerely,

Miss Bloomer
Year 3 Class Teacher
