Despite being a short week this week, the children have been as busy as ever. Year 2 have now completed their SATS assessments and their hard work, determination and perseverance have really shone through. Well done to everybody, we are very proud of you.

On Wednesday, RB proved that they really are polished performers in their class assembly 'RB's Got Talent!' Their articulation, confidence and energy on stage really were a delight to see. Well done to all the staff and children involved in the performance. It is fantastic to see how much all of our wonderful Reception children have grown and developed throughout the course of this year.

Today, Year 1 have thoroughly enjoyed participating in 'Scootability' training sessions, developing their control and agility skills using scooters. Meanwhile, Year 6 enjoyed an end of SATS treat with a fun-filled trip to Drayton Manor. There certainly was lots of excitement buzzing through school this morning!

It has been a very short half term, but so much has, and continues to be, accomplished here at Cotteridge. I wish you all a lovely half term. Enjoy making those magical memories and fingers crossed the weather stays kind to us!

Year 3 Mosque Visit

Year 3 visited Birmingham Central Mosque on Monday as part of our Religious Education lessons. We learnt a lot and really enjoyed seeing the beautiful building. The children's behaviour was excellent and they represented our school perfectly.

Y1 Scootability

The children in Year 1 had lots of fun learning all about their scooters and how to balance and control them. The skills they learnt included pushing, stopping, gliding, taking corners, and navigating obstacles. They have all increased their confidence and now have a better ability to control their scooters. Well done to all the children.

RB Assembly

We are so proud of RB's first class assembly! They showed us they have some fantastic talents and entertained us all. Well done!
