As the summer holiday approaches, excitement is building as end of term activities take over. This week, Year 5 took part in a transition morning at Kings Norton Boys' School, enjoying activities such as orienteering, art and ICT projects. Opportunities such as these give our pupils a taste of secondary school life and give them an insight into potential secondary schools in the area.

On Wednesday, all our pupils met their new teacher and had an opportunity to get to know one another in an activity based session. Our Year 6 pupils also spent the day at their new secondary schools, with more transition days coming up for many of them over the next couple of weeks.

Thank you to all parents who attended our transition meetings, it was lovely to see so many of you; please do come and speak to any of the team if you have any unanswered questions from the meetings and we look forward to seeing our 'new to school' and 'new to key stage two' children in the autumn term.

Today, we have had sports day, with children taking part in many competitive sporting activities for their house teams. Well done to all our children for their sporting attitudes and huge congratulations to the winning house.

A reminder that this is the last week of Chess Club but we look forward to resuming the club in September where children from Year 3 – 6 will be able to attend.

Do come and support our school stall at CoCoMAD on Saturday and have a most enjoyable weekend. Come on ENGLAND!
