It's the penultimate week of term already and so much is happening in school!

In Key stage 1, there has been lots of creativity taking place. Year 1 have been writing about Mr Fox, Year 2 have been writing their finding tales based on the picture book "The Flower" and in Reception the children have been looking at how people are similar and different. Nursery were so excited this week as they headed down to Cotteridge Park where they created faces using conkers, leaves and pine cones which links to their topic, "All about me".

I spend lots of time in the classes across Key Stage Two and am always impressed with the outstanding learning opportunities our teachers give the children. Year 6 have been developing their skills in mini netball games, with impressive refereeing skills shown by Billy Jean and Tyler. In Year 5, ordering and comparing fractions has been the focus for the week with the children demonstrating their skills using fraction cubes. In Year 4, Ruby and Maisie gained their pen licences and in Year 3, the children have been creating cave paintings. Finally, a huge well done to Mrs Andrews and 5T for their fabulous Space assembly this week.

It was a delight to see so many parents and carers attend Parents' Evening and we thank you for your positive comments about our school. I know the children have been very proud to show off their wonderful work. Next week is Arts Week, which we are all looking forward to and we hope to see many of you at the Art Exhibition on Tuesday 6th November.

Another thank you goes to the PTA who hosted a quiz last Friday evening, raising over £200. The intellectual prowess of the winning team was outstanding and clearly the best team won! I wish you all a wonderful weekend. Mrs Tucker.

5A Class Assembly

On Wednesday 17th October, 5A travelled back to 1969 where they entertained the school with the first moon landing. The children spoke with confidence and enthusiasm and shared the wealth of knowledge that they have

learnt about space and space travel. Well done 5A- a great assembly!

The Book Fair

Last week we had the Scholastic Book Fair in school. Thank you to all the parents who purchased a book from us.

We raised a fantastic £770 for our school and look forward to ordering some new and exciting books!
