

Year 6 Spring Spellings Group 1

How it works:

These are the spellings your child will see each week on Spelling Shed. Each Friday your child will see a new list of spellings to learn at home. A dictation will take place the following Wednesday to test how well your child has learned their spellings. Your child's spelling score will be sent home in the front of their CGP homework book.

Week 1 Words with the suffix -ful	Week 2 Words that can be nouns and verbs	Week 3 Words with 'ou' or 'ow'	Week 4 Words with a soft c spelt 'ce'	Week 5 Words with the prefixes 'dis-', 'un-', 'over-' and 'im-'
beautiful	contest	blown	prejudice	disappointed
boastful	freeze	known	sacrifice	dissatisfied
doubtful	impact	mould	hindrance	dissimilar
faithful	increase	poultry	celebrate	impatient
fanciful	object	shoulder	certificate	overreact
fearful	permit	thrown	cemetery	overrule
merciful	produce	window	deceased	overseas
pitiful	silence	soul	December	unnatural
plentiful	subject	smoulder	necessary	unnecessary
thankful	transport	shallow	nuisance	unsure

In the event of a school closure, here is my BGFL log on: (teachers need to print log on details so children can glue them onto this sheet)

To access the work while I am at home, instructions can be found on the school website under the Parents section under Remote Learning.

Year 6

Topic

Homework

Spring

Our Topic is

World War Two

Useful Google searches:

Primary History
World War Two Ducksters
BBC KS2 Bitesize
Primary Homework Help

Optional Topic Homework

How it works:

You will get four house points for handing in one of the Topic tasks by Tuesday 20th February. You can present your homework in the style of your choice.

- Research a bombing that happened in Birmingham and present your findings in any way you choose.
- Write a poem about World War Two.
- Make a model of an air raid shelter.
- Create a World War Two crossword, writing clues to help others solve it.
- Produce a design for an app that could be used to help people survive an air raid.

Great places to visit:

- Thinktank Birmingham science museum
- Birmingham Museum and Art Gallery
- Imperial War Museum (London)
- Eden Camp (Malton)

Key Instant Recall Facts (KIRF's)

Year 6 Spring 1

Key Instant Recall Facts are number facts that we want our children to be fluent with and able to recall instantly.

By the end of this half term children in year 6 should be able to

recall multiplication facts scaled by tenths **and** hundredths

What this looks like:

$$5 \times 1.1$$

$$0.8 \times 9$$

$$0.8 \times 3$$

$$3 \times 5 = \\ 30 \times 0.5 =$$

$$8 \times 3 = \\ 80 \times 0.03 =$$

$$6 \times 6 = \\ \underline{\quad} \times 60 = \\ 3.6$$

We know: $5 \times 7 = 35$

We want to know: 5×0.07

If we make one factor one-hundredth times the size, we must make the product one-hundredth times the size. We do this by dividing the product by 100.

This means: $5 \times 0.07 = 0.35$

We know: $4 \times 5 = 20$

We want to know: 4×0.5

This means 4×0.5
 $= ?$

Explore

Write yourself a known fact. Explore all the related facts by scaling by tenths or hundredths

e.g. $2 \times 7 = 14$, so:

$$2 \times 0.7 = 1.4$$

$$2 \times 0.07 = 0.14$$

$$0.2 \times 7 = 1.4$$

$$0.02 \times 7 = 0.14$$

Vocabulary

fact
lots of
groups of
multiply
tenths/hundredth
ten times bigger
one hundred times bigger
parts
whole

Practical ideas

Play pairs and match up questions and answers written on small squares of paper. Get an adult to write 10 questions- some correct and some incorrect. Can you find the incorrect answers?

The secret to success is practising **little and often**. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a **fact of the day**. If you would like more ideas, please speak to your child's teacher.
