Cotteridge is a fun and vibrant school that values creativity, independence, resilience and compassion through the opportunities that we provide. We believe that every child deserves a world-class education that sparks their curiosity and love of learning.

Our vision is to ignite and develop the highest aspirations for our pupils providing them with a primary education that they will cherish for life. We are committed in striving for academic excellence, coupled with a safe, happy and enriching environment.

We are an inspirational, inclusive community, which consists of our amazing children, their families and our dedicated staff. We are proud of our school and the learning that happens here.
