

Year 1 Spring 2 Spellings

Group 1

How it works:

These are the spellings your child will see each week on Spelling Shed. Each Friday your child will see a new list of spellings to learn at home. A spelling quiz will take place the following Friday to test how well your child has learned their spellings. Your child's spelling score will be sent home in their homework folder.

Week 1 07/03	Week 2 14/03	Week 3 21/03	Week 4 28/03	Week 5 04/04	Week 6 11/04
'oo' makes an /oo/ sound	'oo' makes an /uh/ sound	'ou' makes an /ow/ sound	'ow' makes /ow/ and /oa/ sound	'y' as /ee/ and 've' as /v/	Review of split digraphs
food	book	out	down	very	made
pool	cook	mouth	town	happy	take
moon	foot	sound	frown	funny	even
zoo	wood	proud	brown	party	delete
soon	good	shout	own	give	five
tool	shook	about	grow	have	slide
boots	brook	around	show	love	home
should	house	oh	here	there	phone
ball	mouse	Mr	where	their	tune
tall	please	Mrs	again	were	rule

Year 1 Spring 2 Spellings

Group 2

How it works:

These are the spellings your child will see each week on Spelling Shed. Each Friday your child will see a new list of spellings to learn at home. A spelling quiz will take place the following Friday to test how well your child has learned their spellings. Your child's spelling score will be sent home in their homework folder.

Week 1 07/03	Week 2 14/03	Week 3 21/03	Week 4 28/03	Week 5 04/04	Week 6 11/04
Words with digraph 'th'	Words with digraph 'ee'	Words with digraph 'ai'	Words with digraph 'oa'	Words with digraph 'ng'	Words with digraph 'nk'
they	bee	rain	moat	ring	sink
that	see	main	boat	sing	pink
them	tree	tail	coat	bang	bunk

both	cheek	snail	road	thing	think
your	ball	again	because	Mr	Mrs
love	tall	please	would	should	could

Year 1

Science

Homework

Spring 2

Our Science Topic
is Animals
Including Humans

Optional Topic Homework

How it works:

You will get four house points for handing in one of the Topic tasks by **Monday 28th April**.

You can present your homework in the style of your choice.

- Choose one of the animal classification groups (amphibians, birds, fish, mammals, insects or reptiles) and create a poster of the different animals you may find in this group
- Explore somewhere outside. What animals can you find? Sort the animals into their classification groups (amphibians, birds, fish, mammals, insects or reptiles)
- Design a poster about the different animal diets (carnivore, herbivore, omnivore)
- Create a leaflet explaining the things we need to do in order to look after a pet.
- Use your senses to explore somewhere outside. This could be your garden, the park or a place you visit. You could design a story map with pictures or build a journey stick.

Dear parent/carers

As part of our development of maths fluency and number recall, we have a Key Instant Recall Fact (KIRF) focus each half term for each year group. These are number facts the children need to recall fluently. In school, within the mental maths sessions, one objective will be practised for each half term in order for children to really embed and learn the facts quickly and deeply.

In order for the children to practise these at home as well, we are providing you with an information sheet, which explains the KIRF in more detail, with examples of what it looks like, games to play and websites to visit. The idea is that you can help them recall the facts little and often and work with us to ensure our children are as fluent with recalling number facts as they can be.

Many thanks,

Mrs Pickering -Ernst

Assistant Headteacher and Maths Lead

KIRF's Key Stage One Overview

Year group	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
One	Number facts to 10	Counting in 10's forwards and backwards	Doubles and halves to 20	Counting in 5's forwards and backwards	Number facts for all numbers within 10	Counting in 2's forwards and backwards
Two	Number facts within 10 to generate number facts within 20	Multiplication and division facts for 10 times table	Number facts within 10 to generate number facts for multiples of 10	Multiplication and division facts for 5 times table	Multiplication and division facts for 2 times table	Doubles to 20 to recall near doubles to 20

Key Instant Recall Facts (KIRF's)

Year 1 Spring 2

Key Instant Recall Facts are number facts that we want our children to be fluent with and able to recall instantly.

By the end of this half term children in year 1 should be able to

count in 5's forwards and backwards

What this looks like:

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

Ting is counting in 5s.

Circle the numbers that Ting will hear say.

15 25 12 31
35 50 4 40

These flowers all have 5 petals each.

How many flowers are there?
How many petals are there?

How much do six apples cost?

5 10 15 20 25 30 35 40 45 50

35	30		20		10
	25	30	35		45
45			30	25	20

Practical ideas

Count round the clock
Roll some 5p coins onto the table and count the total amount.
Write some multiples of 5 onto small squares of paper- order them correctly.

Vocabulary

multiple
repeated addition
fives
lots of
groups of
forwards
backwards

Online games:

[Caterpillar Ordering - An Ordering and Sequencing Game \(topmarks.co.uk\)](http://topmarks.co.uk)

(sequencing, counting in multiples, multiples of 5)

[Duck Shoot- Duck Shoot - tablet friendly \(ictgames.com\)](http://ictgames.com) (click the duck with 5)

[Count in 5s - Maths - Learning with BBC Bitesize - BBC Bitesize](http://bbc.co.uk/bitesize) (activity 2)

The secret to success is practising **little and often**. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a **fact of the day**. If you would like more ideas, please speak to your child's teacher.
