

# Year 3 Autumn 1 Spellings Group 2

## How it works:

These are the spellings your child will see each week on Spelling Shed. Each Friday your child will see a new list of spellings to learn at home. A dictation will take place the following Wednesday to test how well your child has learned their spellings. Your child's spelling score will be sent home in the front of their CGP homework book.

# Key Instant Recall Facts (KIRF's)

## Year 3 Autumn 1

Key Instant Recall Facts are number facts that we want our children to be fluent with and able to recall instantly.

By the end of this half term children in year 3 should be able to

**recall multiplication and division facts for 3**

### What this looks like:

Write a multiplication for each picture.

a)

$3 \times 5 = \underline{\quad}$

$3 \times 2 = \underline{\quad}$

$3 \times 9 = \underline{\quad}$

$3 \times 6 = \underline{\quad}$

Complete the number sentences.

a)  $2 \times 3 = \square$

$4 \times 3 = \square$

$8 \times 3 = \square$

b)  $6 = 3 \times \square$

$12 = 3 \times \square$

$18 = 3 \times \square$

Write  $<$ ,  $>$  or  $=$  to compare the statements.

a)  $33 \div 11$   $\bigcirc$  3

d)  $6 \times 3$   $\bigcirc$   $6 \div 3$

b) 27  $\bigcirc$   $30 \div 3$

e)  $3 \times 6$   $\bigcirc$   $18 \div 3$

### Practical ideas

Roll 2 dice and multiply the value by 3.  
Get an adult to write you 10 questions. How long does it take to answer them?  
Hop counting in 3's.

### Vocabulary

equal groups of 3  
lots of  
multiple  
share  
divide  
multiply  
times

### Online games:

Division facts, hit the answer  $\div 3$ , Hit the question  $\div 3$

The secret to success is practising **little and often**. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a **fact of the day**. If you would like more ideas, please speak to your child's teacher.
