

Year 1 Summer 1 Spellings Group 1

How it works:

Each Thursday your child will receive a list of spellings to learn at home on Spelling Shed. A spelling quiz will take place the following Thursday to test how well your child has learned their spellings. The spelling sheet does not need to be returned to school. Your child's spelling score will be sent home in their folder each week. Spellings will also be sent home over the holidays, ready to quiz on the first week back.

Week 1 Test 23/04	Week 2 Test 30/04	Week 3 Test 07/05	Week 4 Test 14/05	Week 5 Test 21/05	Week 6 Test 04/06
'y' as /ee/ and 've' as /v/	Review of split digraphs	Digraph 'ue' and 'ew'	Digraph 'ie' makes /igh/	Digraph 'ie' makes /ee/	Digraph 'oe' and 'oa'

Year 1

**Topic
Homework
Summer 1**

**Our Geography
topic this half
term is:**

**Caribbean Islands
(Port-Au-Prince,
Haïti)**

Optional Topic Homework

How it works:

You will get four house points for handing in one of the Topic tasks. You can present your homework in the style of your choice. If you choose to complete the optional homework, please return it by Monday 1st

June

This half term, we will be learning all about
Port-Au-Prince in Haïti.

You could:

- Ask a family member to find you a picture of Port-Au-Prince and draw a picture of it.
- Create an island map with a treasure chest on it.
- Imagine you lived in Haiti, what would you do for the day? Write about your day.
- Make a non-chronological report about Port-Au-Prince, Haiti.
- Research some of the food people eat in Haiti and make a poster about it.
- With an adult, find out about the weather in Haiti and some recreational activities people do. Make a poster with this information on it.

Dear parent/carers

As part of our development of maths fluency and number recall, we have a Key Instant Recall Fact (KIRF) focus each half term for each year group. These are number facts the children need to recall fluently. In school, within the mental maths sessions, one objective will be practised for each half term in order for children to really embed and learn the facts quickly and deeply.

In order for the children to practise these at home as well, we are providing you with an information sheet, which explains the KIRF in more detail, with examples of what it looks like, games to play and websites to visit. The idea is that you can help them recall the facts little and often and work with us to ensure our children are as fluent with recalling number facts as they can be.

Many thanks,
Mrs Pickering -Ernst
Assistant Headteacher and Maths Lead

KIRF's Key Stage One Overview

Year group	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
One	Number facts to 10	Counting in 10's forwards and backwards	Doubles and halves to 20	Counting in 5's forwards and backwards	Number facts for all numbers within 10	Counting in 2's forwards and backwards
Two	Number facts within 10 to generate number facts within 20	Multiplication and division facts for 10 times table	Number facts within 10 to generate number facts for multiples of 10	Multiplication and division facts for 5 times table	Multiplication and division facts for 2 times table	Doubles to 20 to recall near doubles to 20

Key Instant Recall Facts (KIRF's)

Year 1 Summer 1

Key Instant Recall Facts are number facts that we want our children to be fluent with and able to recall instantly.

By the end of this half term children in year 1 should be able to

recall facts of numbers within 10

What this looks like:

What do you add to 4 to make 9?

$$\begin{aligned}8 &= 7 + 1 \\8 &= 6 + 2 \\8 &= 5 + 3 \\8 &= 4 + 4\end{aligned}$$

$$\begin{aligned}5 + _ &= 8 \\3 + _ &= 5 \\2 + _ &= 6 \\3 + _ &= 4\end{aligned}$$

Practical ideas

Share 6 sweets between two teddies in different ways.
Get 8 pennies, explore the ways to make 8.

Vocabulary

fact
addition
subtraction
part
whole

Online games:

[Addition To 10 \(topmarks.co.uk\)](https://www.topmarks.co.uk/1-10-addition)

[Number Fact Families – Topmarks](https://www.topmarks.co.uk/1-10-addition) (up to 10)

[Robot Addition \(topmarks.co.uk\)](https://www.topmarks.co.uk/1-10-addition) (Up to 10)

[Daily 10 - Mental Maths Challenge – Topmarks](https://www.topmarks.co.uk/1-10-addition) (Level 1- Addition- Up to 10)

The secret to success is practising **little and often**. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a **fact of the day**. If you would like more ideas, please speak to your child's teacher.
