

Year 2 Autumn Spellings Group 1

How it works:

These are the spellings your child will see each week on Spelling Shed. Each Friday your child will see a new list of spellings to learn at home. A spelling quiz will take place the following **Thursday** to test how well your child has learned their spellings. Your child's spelling score will be sent home in the front of their maths homework books. Spellings will be sent home over the half term holiday ready for a test the first week back.

Week 1 Words where dge make a j sound Thursday 17th September	Week 2 Words where ge makes a j sound Thursday 24th September	Week 3 Words where g make a j sound Thursday 1st October	Week 4 Words where c makes an s sound before e, i and y Thursday 8th October	Week 5 Words where kn and gn make a n sound at the beginning of a word Thursday 15th October	Week 6 Challenge words Thursday 22nd October	Week 7 Words where 'wr' makes a /r/ sound at the beginning of words Thursday 5th November

Year 2

Topic
Homework

Autumn 1

Our Topic is The
Great Fire of
London

Optional Topic Homework

How it works:

You will get four house points for handing in one of the Topic tasks by Monday 2nd November.

You can present your homework in the style of your choice.

This term, in our history lessons, we will be learning all about the Great Fire of London.

You could:

- Create a portrait of Samuel Pepys through the use of collage, pencil, paint or other media.
- Create a collage of the Great fire of London using collage/pencil/paints or other media.
- Draw or make a wooden house with a thatched roof that would have been around during the Great Fire of London.

Dear parent/carers

As part of our development of maths fluency and number recall, we have a Key Instant Recall Fact (KIRF) focus each half term for each year group. These are number facts the children need to recall fluently. In school, within the mental maths sessions, one objective will be practised for each half term in order for children to really embed and learn the facts quickly and deeply.

In order for the children to practise these at home as well, we are providing you with an information sheet, which explains the KIRF in more detail, with examples of what it looks like, games to play and websites to visit. The idea is that you can help them recall the facts little and often and work with us to ensure our children are as fluent with recalling number facts as they can be.

Many thanks,

Mrs Pickering -Ernst

Assistant Headteacher and Maths Lead

KIRF's Key Stage One Overview

Year group	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
One	Number facts to 10	Counting in 2's forwards and backwards	Doubles and halves to 20	Number facts for all numbers within 10	Counting in 10's forwards and backwards	Counting in 5's forwards and backwards
Two	Number facts within 10 to generate number facts within 20	Multiplication and division facts for 2 times table	Number facts within 10 to generate number facts for multiples of 10	Multiplication and division facts for 5 times table	Multiplication and division facts for 10 times table	Doubles to 20 to recall near doubles to 20

Key Instant Recall Facts (KIRF's)

Year 2 Autumn 1

Key Instant Recall Facts are number facts that we want our children to be fluent with and able to recall instantly.

By the end of this half term children in year 2 should be able to

recall number facts to 20 using known number facts to 10

What this looks like:

$$\square + 5 = 18$$

$$11 + \square = 19$$

I know

$$3 + 4 = 7$$

So,

$$13 + 4 = 17$$

Practical ideas

Roll a dice. What is the number fact to make 20?

Get an adult to write some pairs to 20 on pieces of paper. Face them down.

Turn over two cards and if they make 20, you win.

Vocabulary

fact
ten more
part
whole
known fact

Online games:

[Hit the Button](https://www.topmarks.co.uk/Hit-the-Button) - Quick fire maths practise for 6-11 year olds ([topmarks.co.uk](https://www.topmarks.co.uk))

Numberbonds, make 20.

[Paint the Squares](https://www.topmarks.co.uk/Interactive-Number-Charts) - Interactive Number Charts ([topmarks.co.uk](https://www.topmarks.co.uk)) 1-20 grid.

Paint a number and make 20

[Daily 10](https://www.topmarks.co.uk/Daily-10) - Mental Maths Challenge – [Topmarks](https://www.topmarks.co.uk) Level 1, addition, bonds to make 20

The secret to success is practising **little and often**. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a **fact of the day**. If you would like more ideas, please speak to your child's teacher.
