Year 4 Autumn 1 Spellings Group 2

How it works:

These are the spellings your child will see each week on Spelling Shed. Each Friday your child will get a new list of spellings to learn at home. A dictation will take place the following Thursday to test how well your child knows their spellings. Your child's spelling score will be sent home in the front of their CGP homework book. Spellings will be sent home over the half term holiday ready for a test the first week back.

Week 1 Homophones	Week 2 Prefix in-	Week 3 Prefixes il-, im and ir-	Week 4 Prefix sub-	Week 5 Prefix inter-	Week 6 Challenge words	Week 7 Words ending in –ation After half term	Week 8 Words ending in -ation
accept	inability	illegal	subheading	interact	strength	information	combination
except	inactive	immortal	subject	interchange	grammar	sensation	illustration
knot	incorrect	impossible	submerge	interfere	calendar	vibration	coronation
not	inflexible	impatient	submit	international	women	decoration	observation
peace	insecure	irregular	subtitle	internet	appear	population	location
piece	invisible	irresponsible	subway	interview	straight	determination	generation
plain	after	any	beautiful	behind	interest	break	child
plane	again	bath	because	both	opposite	busy	children
weather	accidentally	certainly	enough	learn	increase	peculiar	question
whether	bicycle	difficult	heart	natural	believe	pressure	special

DK Find Out Romans

Optional Topic Homework

How it works:

You will get four house points for handing in one of the Topic tasks by Monday 2nd November 2026. You can present your homework in the style of your choice.

Create a mosaic.

Make a model of a trebuchet/catapult.

Draw a comic strip of a day in the life of a Roman soldier.

Write an acrostic poem about the Romans.

Design a new shield for a Roman legionary.

Research popular Roman recipes and design a menu.

Make a model of a Roman villa.

Create a life size piece of Roman armour.

An idea of your own linked to the Romans.

Key Instant Recall Facts (KIRF's)
Year 4 Autumn 1

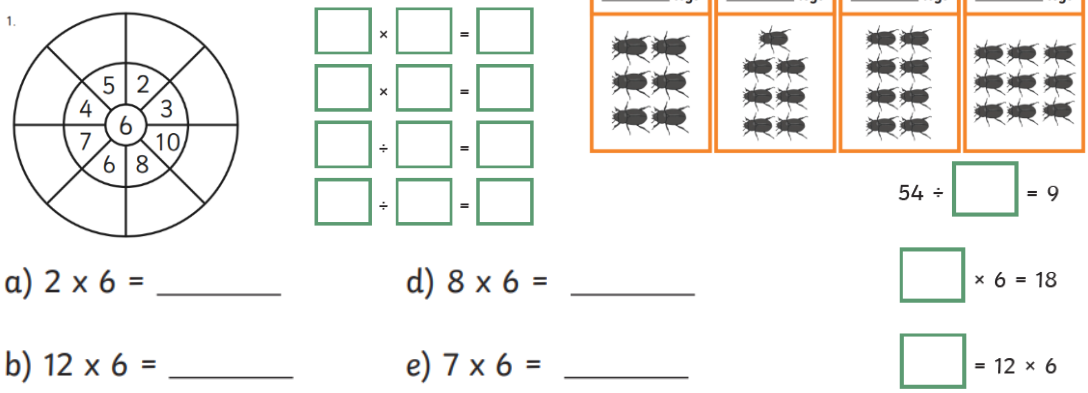
Key Instant Recall Facts are number facts that we want our children to be fluent with and able to recall instantly.

By the end of this half term children in year 4 should be able to

recall multiplication and division facts for 6

What this looks like:

Create a fact family using 9, 54 and 6.



a) 2 x 6 = _____

b) 12 x 6 = _____

d) 8 x 6 = _____

e) 7 x 6 = _____

Practical ideas

Roll 2 dice and multiply the value by 6.
Get an adult to write you 10 questions. How long does it take to answer them?
Hop counting in 6's. How far can you count to?

Vocabulary

equal groups of 6
lots of
multiple
share
divide
multiply
times

Online games:

Daily 10 - Mental Maths Challenge – Topmarks Level 4, x 6
Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk)
Division facts, hit the answer ÷ 6, Hit the question ÷ 6
Coconut Multiples - Reinforce Times Tables (topmarks.co.uk) x 6

The secret to success is practising little and often. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.
