

Pupil Premium Action Plan 2026-27

Barriers to future attainment for PPG eligible pupils at our school

- A Low attainment and slow progress rates made by pupil premium/disadvantaged children. The children have gaps and misconceptions and find it difficult to retain/recall prior knowledge.

- B Pupils and their families have social & emotional difficulties, including medical and mental health issues.

- C Pupils have limited experiences beyond their home life and immediate community. They also have limited access to books, libraries and technology (such as an iPad, Wi-Fi etc.)

- D Low attendance and persistent absenteeism of PP/disadvantaged children.

- E Some pupils need to develop their organisational skills, resilience and determination. In addition, many children rely on adult support in class and are reluctant to 'have a go' due to fear of failure.

Initiatives	Spending Strategy	Cost (£)
Pastoral Care Manager and Learning Mentor Support	To support parents in helping their children to engage in learning. To provide ongoing support services for parents. To support children in overcoming barriers to learning. To support children to develop positive attitudes towards all aspects of school life.
