Optional Topic Homework

How it works:
You will get four house points for handing in one of the Topic tasks by Friday 8th January 2027
You can present your homework in the style of your choice.

- Create a picture of an imaginary Greek God. Make sure your poster is eye-catching and full of facts and information. Try to think of a symbol for your God.
- Create a 3D map of modern Greece, including the islands . Make sure that your model is labelled.
- Design a Greek menu. Try and include foods for all the courses—starters, main dishes and desserts.
- Follow a recipe to make traditional Greek food. Maybe you could take photos or write the instructions to make your food.
- Using mosaics, create a Greek inspired art piece. Possibly design a Greek vase or ornament for the house.

Year 5 Autumn 2 Spellings Group 2

How it works:

These are the spellings your child will see each week on Spelling Shed. Each Friday your child will see a new list of spellings to learn at home. A dictation will take place the following Friday to test how well your child has learned their spellings. Your child's spelling score will be sent home in the front of their CGP homework book.

Week 1 -ance and -ancy	**Week 2 -ent and -ence**	**Week 3 -able and -ible**	**Week 4 -ably and -ibly**	**Week 5 Challenge words**	**Week 6 -able where 'e' remains**
abundance	decent	reliable	comfortably	accommodate	agreeable
brilliance	confidence	comfortable	dependably	available	changeable
elegance	innocence	enjoyable	horribly	controversy	noticeable
vacancy	violent	horrible	terribly	dictionary	replaceable
relevancy	emergent	incredible	sensibly	marvellous	manageable
hesitancy	frequent	possible	possibly	opportunity	rechargeable
consider	fruit	describe	certainly	secretary	disappear
decide	guard	difficult	earth	sincerely	enough
favourite	extreme	actually	appear	suggest	occasion
height	famous	breath	although	twelfth	caught

In the event of a school closure, here is my j2e.com log on:

To access the work while I am at home, instructions can be found on the school website under the Parents section under Remote Learning.

Key Instant Recall Facts (KIRFs)
Year 5 Autumn 2

Key Instant Recall Facts are number facts that we want our children to be fluent with and able to recall instantly.

By the end of this half term children in year 5 should be able to

find multiplication facts scaled by tenths **or** hundredths

What this looks like:

5 × 1.1

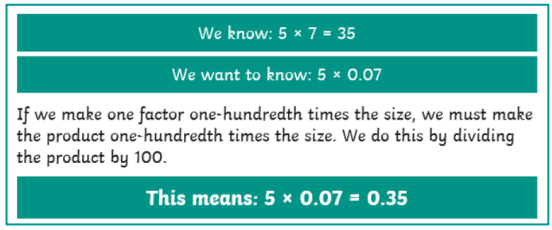

0.8 × 9

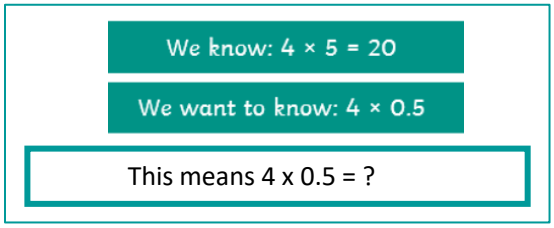

0.8 × 3

3 x 5 =
3 x 0.5 =

8 x 3 =
8 x 0.03=

6 x 6 =
__x 6 = 3.6

Explore

Write yourself a known fact. Explore all the related facts by scaling by tenths or hundredths

e.g. 2 x 7 = 14, so:
2 x 0.7 = 1.4
2 x 0.07 = 0.14
0.2 x 7 = 1.4
0.02 x 7= 0.14

Vocabulary

fact
lots of
groups of
multiply
tenths/hundredth
ten times bigger
one hundred times bigger
parts
whole

Practical ideas

Play pairs and match up questions and answers written on small squares of paper.
Get an adult to write 10 questions- some correct and some incorrect. Can you find the incorrect answers?

The secret to success is practising little and often. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.
